

SAFETY DATA SHEET

Section 1- Chemical Substance/Product and Company Identification

Finished Product Name: Spa Concepts Collagen Moisturizer Lotion

Company Identification: Cory Labs, Inc
11708 S Mayfield Ave
Alsip, IL 60803

Contact: John Khouri 1-630-935-0775

In case of medical emergencies, please contact local poison control center.

Date: September 2013

Section 2- Hazards Identification

Emergency Overview:

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the supplier upon request.

Potential Health Effects:

Eye:

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

Skin:

Not expected to be irritating, sensitizing, photo allergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

Inhalation:

Not expected to be irritating to the respiratory system. Not volatile limited inhalation exposure anticipated.

Ingestion:

Product used as intended is not expected to cause gastrointestinal irritation. Accidental Ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting, and diarrhea.

Section 3- Composition and Ingredients

The complete ingredient list for the finished product is as follows:

DI Water, Carbomer Ultrez 10, Tetrasodium EDTA, Propylene Glycol, Aloe Vera Gel, Isopropyl Myristate, Glyceryl Stearate, Cetyl Alcohol, Stearic Acid, Steareth 20, Petrolatum, Jojoba Oil, Imidazolidinyl Phenoethanol, Urea, Triethanolamine, Vegetable Collagen Color, Fragrance

Section 4- First Aid Measures

Eye:

Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

Skin Problem:

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

Inhalation:

If respiratory irritation occurs, remove individual to fresh air.

Ingestion:

Accidental ingestion of product may necessitate medical attention. Do not induce vomiting. Note: After first aid treatment, the caller should be advised that 1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary in the judgment of the caller, and 2) that the subsequent management of the accident should be dictated by any persistent symptoms and under the direction of the physician.

Section 5 – Fire Fighting Measures

Flash Point & Method:

Not Applicable

Extinguishing Media:

Use chemical foam, dry chemical, carbon dioxide or water.

Explosion Hazard:

No applicable information has been found.

Fire Fighting Instructions:

Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives.

Section 6- Accidental Release Measures

Procedures for Spill/Leak Clean-up:

For Household Settings:

Absorb liquid and scrub the area with detergent.

For Non- Household Settings:

Use safety glasses or goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc.) to prevent skin contact.

Section 7- Handling and Storage

Precautions for Safe Handling:

For Household Settings:

No applicable information has been found.

For Non- Household Settings:

No unusual handling or storage requirements. Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

Conditions for Safe Storage:

For Household Settings:

No applicable information has been found.

For Non- Household Settings:

No unusual handling or storage requirements. Storage in large quantities (as in a warehouse) should be in a well-ventilated, cool area.

Other Recommendations: none

Section 8- Exposure Controls, Personal Protection

For Household Settings:

This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use.

For Non- Household Settings:

Use safety glasses or goggles if splash hazards exist, use gloves and other protective clothing (apron, boots, etc) to prevent skin contact. Always follow good hygienic work practices. Avoid prolonged contact with skin and clothing.

Section 9 – Physical and chemical Properties

Color, Odor, and Appearance: (Base) White, Fragrance, creamy

Melting Point: Not applicable.

Boiling Point: Not applicable.

Physical State: Semi-Liquid

Solubility in Water: Slightly insoluble.

pH:6.50-7.50

Specific Gravity: 0.99 +/-0.02

Vapor Density: Not applicable

Section 10- Stability and Reactivity

Conditions to Avoid: no information

Other Recommendations: None

Section 11- Toxicological Information

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the supplier upon request.

Chronic Effects: Finished product is not expected to have chronic health effects.

Carcinogenicity: Finished product is not expected to be carcinogenic

Section 12- Ecological Information

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Additional information is available from the supplier on request.

Section 13- Disposal Information

Disposal Information:

Dispose of waste in accordance with all local, state, and federal regulation.

For Household Settings:

The Following instructions are for consumer usage only. Do not discharge product into natural water without pre-treatment or adequate dilution.

For Non-Household Settings:

Products covered by this MSDS, in their original form, when disposed of waste are considered non hazardous waste according to the federal RCRA regulations. (40 CFR 261) Disposal should be in accordance with local, state and federal regulations.

Section 14- Transportation Information

Finished packaged product transported by ground (DOT): Non-hazardous

Finished packaged product transported by vessel (IMDG): Non- hazardous

Finished packaged product transported by air (IATA): Non hazardous

Section 15- Other Information

Disclaimer:

This MSDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered to be dependable and is accurate to the best of the company's knowledge. It is not meant to be an all- inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design the appropriate protective mechanisms to prevent employee exposures, property damage or release to the environment. The company assumed no responsibility for injury to the recipient or third persons or for any damage to any property resulting from misuse of the product.
